

**NAVIGATION**

VP MANEUVERABILITY

A navigation control panel. At the top, the word "NAVIGATION" is centered. Below it are two rectangular buttons with black triangular arrowheads pointing towards each other, flanked by four circular buttons. In the center is a large hexagonal display with a white background and a black border, containing a black 'X' shape. At the bottom left is the text "VP" and at the bottom right is "MANEUVERABILITY" next to a small square icon. The panel has four screws: two at the top and two at the bottom.

**WEAPON SYSTEMS**

A panel with a black and white diagonal striped border. At the top, the text "WEAPON SYSTEMS" is centered in a white box. Below this are two large, empty rectangular boxes for text or diagrams. The panel has four screws: two at the top and two at the bottom.

**SILHOUETTE**

**ARMOR**

**SIZE**

**HULL INTEGRITY**

A panel with a grey background. On the left, the text "SILHOUETTE", "ARMOR", and "SIZE" is stacked vertically. On the right, the text "HULL INTEGRITY" is centered above a large, empty rectangular box. The panel has four screws, one at each corner.

**ENGINE**

**ACHTUNG!**

**RADIUM**

**THRUST/POWER**

A vertical panel with a grey background. At the top, the text "ENGINE" is centered. Below it is "ACHTUNG!" followed by a warning symbol consisting of three black triangles pointing towards each other. Underneath is "RADIUM". A large, empty rectangular box occupies the middle section. At the bottom, the text "THRUST/POWER" is centered. The panel has four screws, one at each corner.
