

NAVIGATION

A navigation control panel featuring a central hexagonal display with a white 'X' and four black triangles pointing towards the center. Above the display are two rectangular buttons with black arrowheads pointing towards each other, and a small circle between them. Six circular buttons are arranged around the central display: two on the top, two on the sides, and two on the bottom. At the bottom-left is the label 'VP' and at the bottom-right is 'MANEUVERABILITY' next to a small square icon. The panel has four screws: two at the top and two at the bottom.

WEAPON SYSTEMS

A panel with a black and white diagonal striped border. At the top, a white box contains the text 'WEAPON SYSTEMS'. Below this are two large, empty white rectangular boxes for text or diagrams. The panel has four screws: two at the top and two at the bottom.

SILHOUETTE

ARMOR

SIZE

HULL INTEGRITY

A panel with a grey background. On the left, the text 'SILHOUETTE', 'ARMOR', and 'SIZE' is stacked vertically. On the right, the text 'HULL INTEGRITY' is above a large, empty white rectangular box. The panel has four screws, one at each corner.

ENGINE

ACHTUNG!

RADIUM

THRUST/POWER

A vertical panel with a grey background. At the top is the text 'ENGINE'. Below it is 'ACHTUNG!' followed by a radiation warning symbol (three black triangles). Underneath is 'RADIUM'. A large, empty white rectangular box occupies the middle section. At the bottom is the text 'THRUST/POWER'. The panel has four screws, one at each corner.
